Sell once. Get paid forever.

Every bar and restaurant wants guests to stay longer and spend more. Plugin does both. You earn on every device you place, then keep earning every month the venue stays on.

$750
DAY ONE

One of our partners closed a **30-device order on his first day**: **$750 in upfront commission**, plus **$60 every month** that venue stays on.

How it works

01
Get your demo device
A working table tent, training and your own partner dashboard.

02
Walk in and show it
Set it on the table. Owners get it in seconds.

03
Get paid twice
20% of the hardware sale, plus 20% of their monthly subscription.

You're not doing this alone

- Training on the pitch and the demo
- Payment links that track every sale to you
- Videos and case studies to share
- Real people backing you up

Day-one result is one partner's actual first day (30-device order). It is not typical or guaranteed; what you earn depends entirely on the sales you make.

PLUGIN PARTNER PROGRAM

One sale. Two paychecks.

Earn on every device you sell, then keep earning every month the venue stays on.

UPFRONT

20%

of every hardware sale

$25 per one-sided device, paid on the sale

What you are selling

Plugin table tents are phone-charging devices with a screen that sit at the bar or on tables in bars and restaurants. Guests charge their phones. Venues use the screen to show their own specials, events and promos, and update it themselves in seconds with PluginOS.

Who buys it

- Independent bars and restaurants are the sweet spot.
- The owner or manager makes the call, often on the spot after a demo.
- Your demo device does most of the selling. Set it on the table and let it work.

PARTNER PROGRAM

STARTER KIT

Everything you need for $250.

A one-time fee. You get the tools to start selling the same week.

01

Demo device

A working Plugin table tent to show venues in person.

02

Training

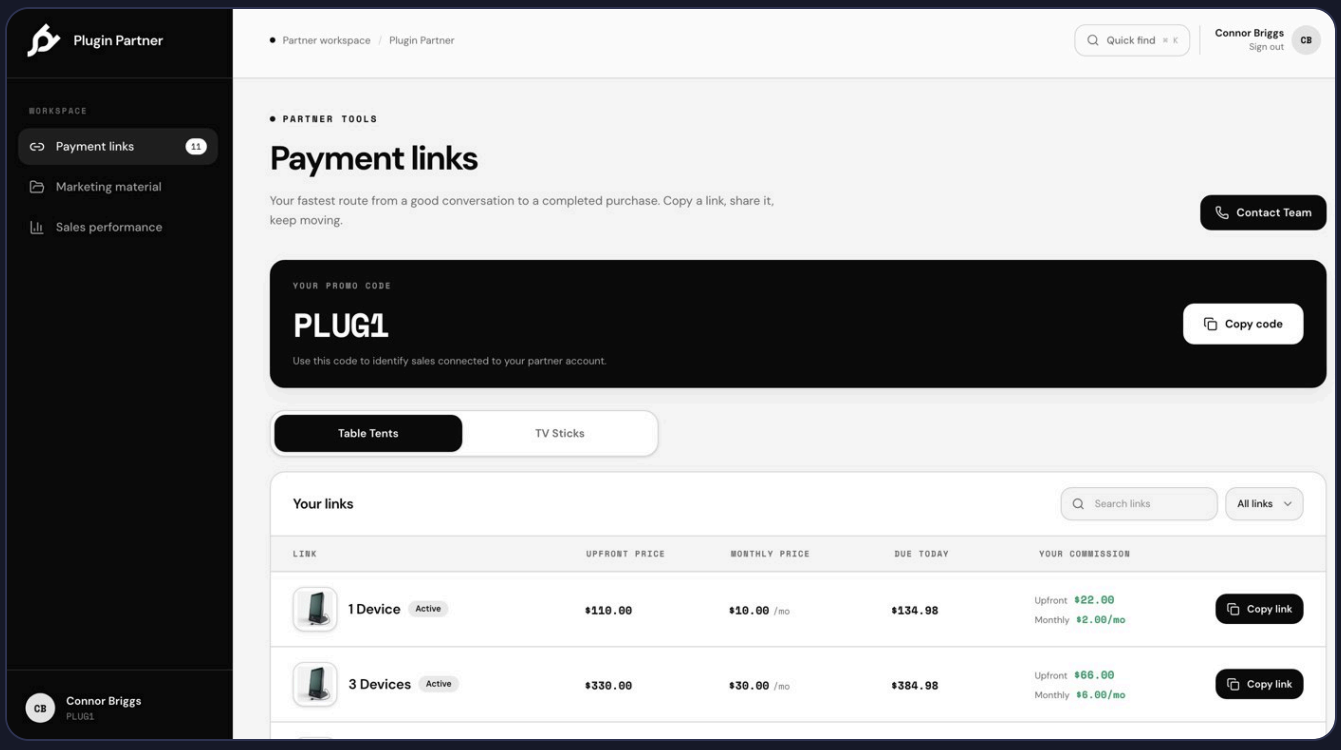

How to find venues, run a demo and close the sale.

03

Partner dashboard

Your payment links, promo code, marketing library and sales tracking in one place.

Your partner dashboard

- Payment links: copy a link, send it to the venue, and the sale is tracked to you automatically.
- Promo code: your personal code ties every sale back to your account.
- Marketing library: product videos, setup walkthroughs and case studies to share.

HOW YOU EARN

Commission, by the numbers.

Venues pay $125 per one-sided device plus $10 per device each month. You earn 20% of both.

Order	Venue upfront	Venue monthly	You: upfront	You: monthly	You: first year
1 device	$125	$10/mo	$25	$2/mo	$49
5 devices	$625	$50/mo	$125	$10/mo	$245
10 devices	$1,250	$100/mo	$250	$20/mo	$490
20 devices	$2,500	$200/mo	$500	$40/mo	$980
30 devices	$3,750	$300/mo	$750	$60/mo	$1,470

Based on one-sided table tents. Dual-sided devices pay more per sale. First-year totals assume the venue stays on all year.

What it can add up to

EXAMPLE: 2 VENUES A MONTH, 10 DEVICES EACH

$500
upfront each month

$480/mo
recurring by month 12

$6,000
upfront earned in year 1

Every venue you close adds to your monthly check. Recurring commission pays for the lifetime of each account, so it keeps stacking as you go.

Earnings examples are for illustration only and are not a promise of income. What you earn depends entirely on the sales you make.

HOW IT WORKS

From signup to payout.

1
Join

4
Close with your link
Send the venue the payment link for their order. The sale is tracked to you.

5
Get paid
Commissions are paid out monthly. Track every sale in your dashboard.

FAQ

Questions, answered.

Do I need sales experience?

No. The training covers the pitch and the demo. The device is easy to show and easy to understand.

How do I get credit for a sale?

Have the venue pay through your payment link, or use your promo code. Either way the sale is tied to your account.

When do I get paid?

Commissions are paid out monthly. You can see every sale and commission in your dashboard.

How long do I earn on a venue?

For the lifetime of the account. You earn 20% of their monthly subscription for as long as the venue stays subscribed.

What does the $250 cover?

Your demo device, training and access to the partner dashboard.

Is this a job?

No. You are an independent partner paid on commission. You set your own hours and territory.
